Subject: Request for Public Records – Request ID # 202605-PRR-809

Dear Justin Yonker:

The Department of Social and Health Services (DSHS) received the attached public records request from you on May 26, 2026. This letter responds to your request under the Public Records Act, Ch. 42.56 RCW. Please use the above request number when contacting us about this request.

You requested the following:

ALF reports older than just a couple of years.

You asked for records regarding Assisted Living Facilities. Because the term “reports” is subjective, and could be interpreted in more than one way, we are requesting clarification pursuant to RCW 42.56.520 and WAC 388-01-090. Are you intending to request copies of complaint intakes received by Residential Care Services? If not, please clarify or specifically identify the records you are seeking by July 2, 2026. Can you also clarify the time frame for the records you are seeking? If we do not receive a response from you by this date we will understand your request to be for Intake Reports.

Unless we receive a clarifying response from you, we will proceed with processing your request as stated above. Due to current workload, the number of other pending requests, and the scope of your request, we estimate it will take up to 30 business days or until about July 14, 2026, to find, review, copy, and produce available records. Records will be provided in installments as appropriate.

DSHS may charge for copies of electronic records, actual cost of other copies, and postage. If there is a charge, we will send you the records after receiving a check made out to DSHS for the amount due.

If you have any questions, please feel free to contact our office.

Sincerely,

Luxcherie Lee
